## **Agenda**

**Introductions, brief BWBC overview, confirm minute-taking, review agenda** 5 minutes

**Announcements** 5 minutes

**Discussion: Open Streets 2017** 75 minutes

We're looking forward to at least one great Open Streets event this year - and maybe more!  
At this meeting we will start the process of figuring out what it will look like this year.

Questions to be considered include:

- What has and has not worked well for Open Streets in previous years?
- Should Open Streets be its own event, or join with other events (e.g., Old North End Ramble, South End Art Hop) - or should it do both?
- Should there be more than one Open Streets event this year, and if so, where and when?
- What should the event(s) look like?
- Who can work on making them happen?

*The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks & Recreation on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.*
