The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks & Recreation on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.

Meetings are on the 4th Thursday of each month (3rd Thursday November & December)

Next Month: BWBC Meeting, Thursday, June 23, 5:30-7 pm
