Discussion of bike lanes next to parked cars 10 minutes

DPW needs to decide on the design of Pearl Street from St. Paul to Battery St. Should they continue the bike lanes that were installed from N. Winooski Ave to St. Paul? Eliminate bike lanes altogether? Or something else? DPW requested our input.

BWBC open house? 15 minutes

It's a good time of year to reach out to the community for more members, and to find people to serve on the Steering Committee. Open House? other ideas welcome.

An update from our 'Pilots and Demonstrations' subcommittee; a presentation planned for April.

The BWBC is an all-volunteer advisory council to the City of Burlington. We work closely with and advise the Department of Public Works and the Department of Parks & Recreation on infrastructure improvements and policy changes for walking and bicycling. The council also leads advocacy efforts and organizes events and activities that promote and celebrate walking and biking in Burlington and beyond.

Meetings are on the 4th Thursday of each month (3rd Thursday November & December)
Next Month: BWBC Meeting, Thursday, April 23, 5:30-8pm
